SARA TEASDALE

We the ROBINILLO staff of 1970 dedicate this yearbook to the memory of Douglas C. Miller, who passed away on Dec. 21, 1969.

A close friend described Doug in the following way, "He was a real likeable person with a mind of his own. Everyone that knew Doug could agree he had an outstanding personality."

Sports were among Doug's major interests, especially baseball. It was a familiar sight for the residents of Robinson to see Doug as an enthusiastic shortstop on the school team and various other community baseball teams.

FEATURES

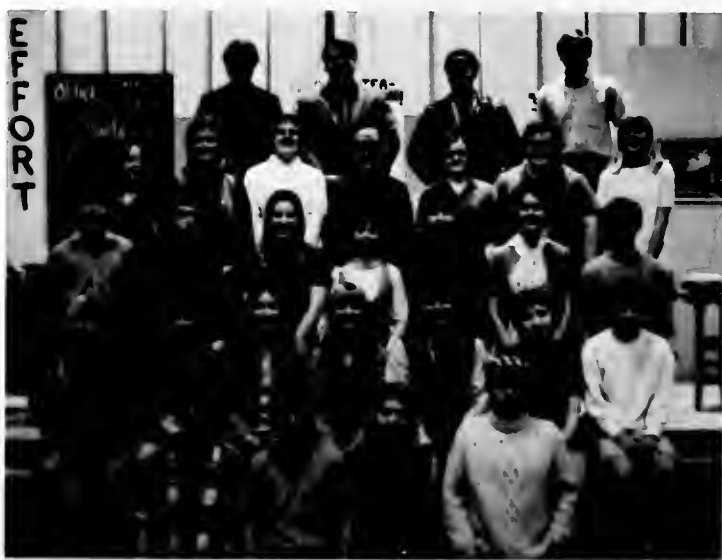

SENIORS PRESENT "UP THE DOWN STAIRCASE"

The Senior Class of 1970 presented "Up the Down Staircase." The play, under the supervision of Mrs. Katherine Caraway, was a complete success. The part of Miss Barrett, who was a young, idealistic schoolteacher teaching school in a big city, was portrayed by Lynn Driscoll. The story of this English teacher and her problems with both student and faculty members touched its audience close to the heart.

JUNIORS

PRESENT

CRUCIBLE

"The Crucible" proved to be an exciting and unusual type of entertainment for those who attended. It was a drama that involved the Salem witch hunt. Many innocent townspeople were condemned because Abigail Williams, portrayed by Teresa Gallo, was in love with John Proctor, portrayed by Mike Davis, who failed to return her love; thus staying faithful to his wife Elizabeth, played by Mary Crebs. Her revenge was so powerful that many, including John Proctor, were killed. The fiery trials were presided over by a very narrow-minded judge, Deputy Governor Danforth who was portrayed by Joe Comer.

This year's play was directed by Mr. Larry McCoy with Jan Bulla acting as student director. The Junior Class Play proved to be an outstanding performance by the class of "71".

Philip Miller, Barbie Ferrel, and Jan Bulla presented songs in the lyceum which were composed by themselves and several others which were popular at that time.

The Robinson High School Dance Band under the direction of Mr. Richard Shoulders gave an excellent performance at the lyceum.

Dave Bowman and his back-up band astonished the students with singing of such songs as "The Impossible Dream" and "Mountain Dew."

SCHOOL BOARD

The Robinson Board of Education has once again successfully completed another year. Throughout the span of the 1969-1970 school year, the board, under the direction of Mr. J. M. Imlay, president, discussed and decided upon many issues concerning the schools in the Unit No. 2 system. Discussion and action was taken concerning the transportation issue and several committees were appointed throughout the year to visit area schools in order to check the seating capacity of the classrooms. The main concern of the board is for the benefit of the students attending Unit No. 2 schools.

ROBERT WHITMER

ROY MIDGETT

SUPERINTENDENT

We can once again commend Mr. Clyde Corn for his strenuous efforts and hard work as superintendent of Community Unit School District No. 2. Mr. Corn's job includes the supervising of the four schools in this district, these being Robinson, Porterville, Flat Rock, and New Hebron, and the employing of the many people in the school's management. This is Mr. Corn's fourth year as superintendent as he has been here since 1966. Before coming to Robinson, Mr. Corn was employed at other Illinois schools and at one time acted as superintendent of the West Frankfurt schools.

MAROONS DEFEAT LAWRENCEVILLE

WIN SHRINE TROPHY

Coaches: Robert Taylor, Jack Reeder, Larry Higgins, David Basso, and Tony Cork.

The final call of the "Fighting Maroons" win-loss record this year was 5-3-1. The team was again led by tri-captains. This year's sturdy leaders being Irvin, Morrow, and Smith. The Maroons began the season with four consecutive wins sending school spirit soaring. Robinson pulled an early upset against Lawrenceville, defeating the Indians by a score of 13-12; a feat that hasn't been accomplished since 1961. The Maroons then won the Robinson Newton Shrine Game for the second year and became beneficiaries of the magnificent trophy donated by the Shriners. Coach Higgins looks with optimism for the 1970 season because of his 23 returning lettermen. The Fresh-Soph team, who went undefeated during this season will prove to be a valuable asset to next year's varsity team.

... PLACE THIRD IN DISTRICT

The newly formed Cross-Country Team of Robinson High School had a most complementary season. Taking first in the E. I. Conference for the second time, the "Harriers" set a winning example for all other sports to follow, as they finished with a 13-1 record in dual and triangular meets, and an overall record of 105-28. Led by runner Bill Miller, who established twelve new course records during the year, the squad finished 15th at the Mattoon Invitational and 3rd in the district. With four lettermen graduating, coach Jim Fox will have to work extra hard with the boys to keep up with the phenomenal pace that the past two teams have set.

The 1969-70 R.H.S. cheerleaders presented a variety of amusing skits at pep sessions arousing enthusiasm within the fans. To raise money the cheerleaders sold doughnuts before school. Again, this year, they sold candy apples at the carnival, as they had in the past. The Varsity cheerleaders attended camp at Vincennes University during the summer of 1969. They returned proudly, displaying four first-place ribbons.

ROBINILLO

Taking pictures, writing copy, and working on lay-outs are just a few of the many responsibilities of the ROBINILLO staff. To many students the ROBINILLO is a meaningful and treasured book; however, many fail to realize the work that goes into this book. During the annual sales in October, the staff sold over five hundred and fifty copies of the ROBINILLO. Under the leadership of Mrs. Mary McKay, sponsor, the staff has put a great deal of effort into the 1970 ROBINILLO in hope of keeping many cherished memories alive for the students of RHS.

BOARD OF EDITORS

The NEWS 'N' EVERYTHING staff worked extra hard to make this year's paper gain recognition as a first-class school newspaper. Stories concerning problems of the school and students along with several informal photos made this year's paper quite interesting and enjoyable for all. Candy sales and ticket sales along with the annual subscription drive raised the funds needed to publish the paper. The staff, under the direction of Miss Nuttall, had a very busy year.

I.C.E. PROVES WORTHWHILE

Interrelative Cooperative Education, sponsored by Mr. Caraway, is a program for students who would like job training along with school classes. The members must work at least three hours a day and give a report to the class at least twice a year. This year the I.C.E. members had the Chuck Wagon as their carnival project. The money earned from this was used for their annual Employer Appreciation Banquet. Also, as a part of their memorable year were the Christmas Luncheon and the Spring Picnic.

BAND

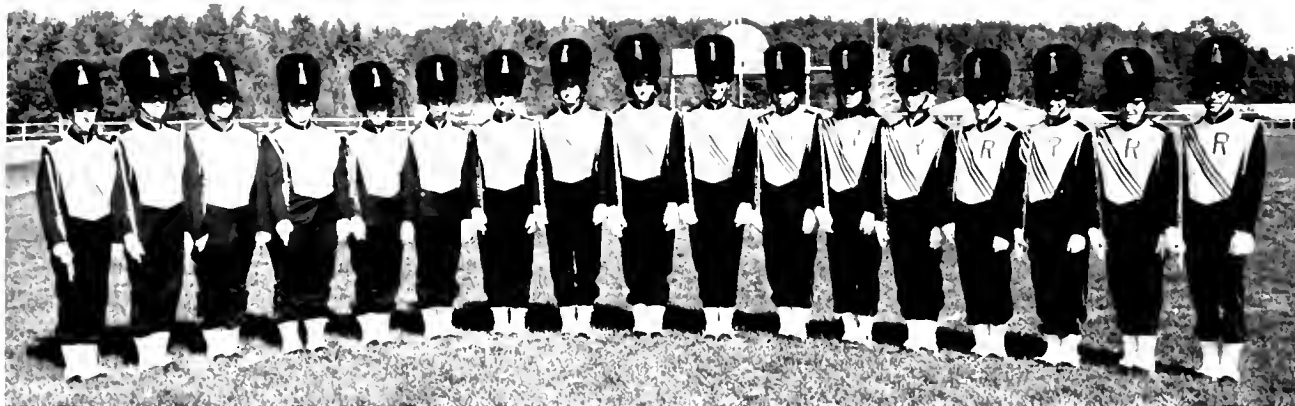

The R.H.S. Marching Maroons, directed by Mr. Richard Shoulders, has completed another very successful year in the music department. The band marched at all the football games and took part in the unit band program. One of the big events was the musical "South Pacific," which was performed by both band and chorus members. The band sold magazines and holly. They worked hard to raise money to purchase an air-conditioner for the band room.

CHORUS

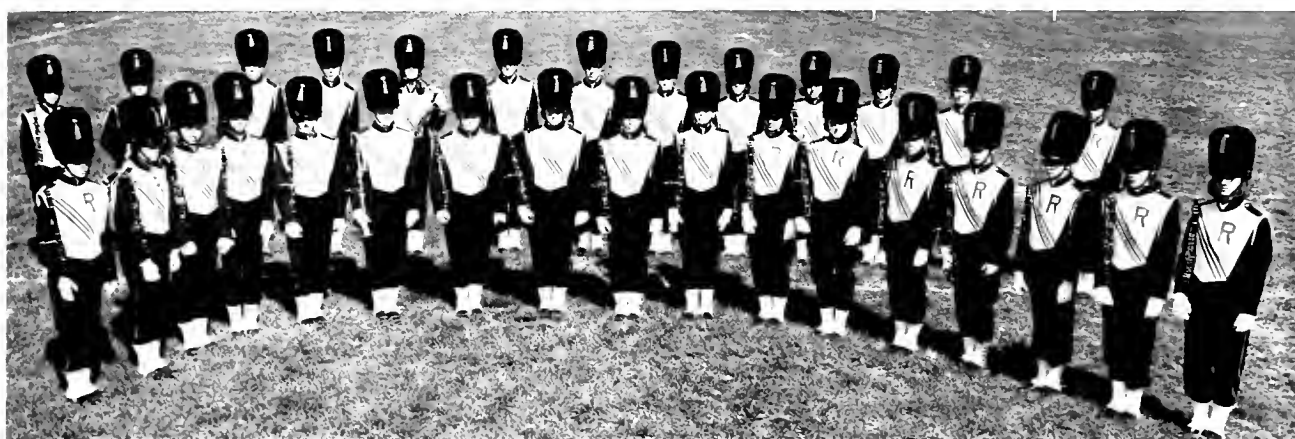

The 1969-70 Chorus was also under the direction of Mr. Richard Shoulders. The chorus presented a cantata during the Christmas holidays. The boy's chorus sang "Star-Spangled Banner" at the home basketball games. The chorus and band worked together in presenting "South Pacific" which was a highlight for the year.

The Lettermen's Club refurnished and redecorated the club room this year. They were under the leadership of Larry Smith, the club president. They made money by having concessions at a basketball game. As a service to the school, the club members supervised the seating of people in the reserved section at the basketball games. All members enjoyed the many activities of the club and the use of the "R" Room.

A TYPICAL? DAY AT RHS

SPLASHDOWN . . .

Many of the members of the graduating class of 1970 feel that our graduation is the splashdown. It is true. We have completed a long, significant voyage. But this voyage is only the first stage of a much larger project. We have completed one voyage only to begin a much more difficult one, consisting of two stages. These are learning and living. Whether we further our education formally makes little difference. We will continue to learn. This brings us to the third stage of living — applying what we know to what we do. Yes, we are leaving on a new voyage into space. We do not know where we are going, or what we will find when we arrive, but we do know that graduation is just like the . . . BLAST OFF!

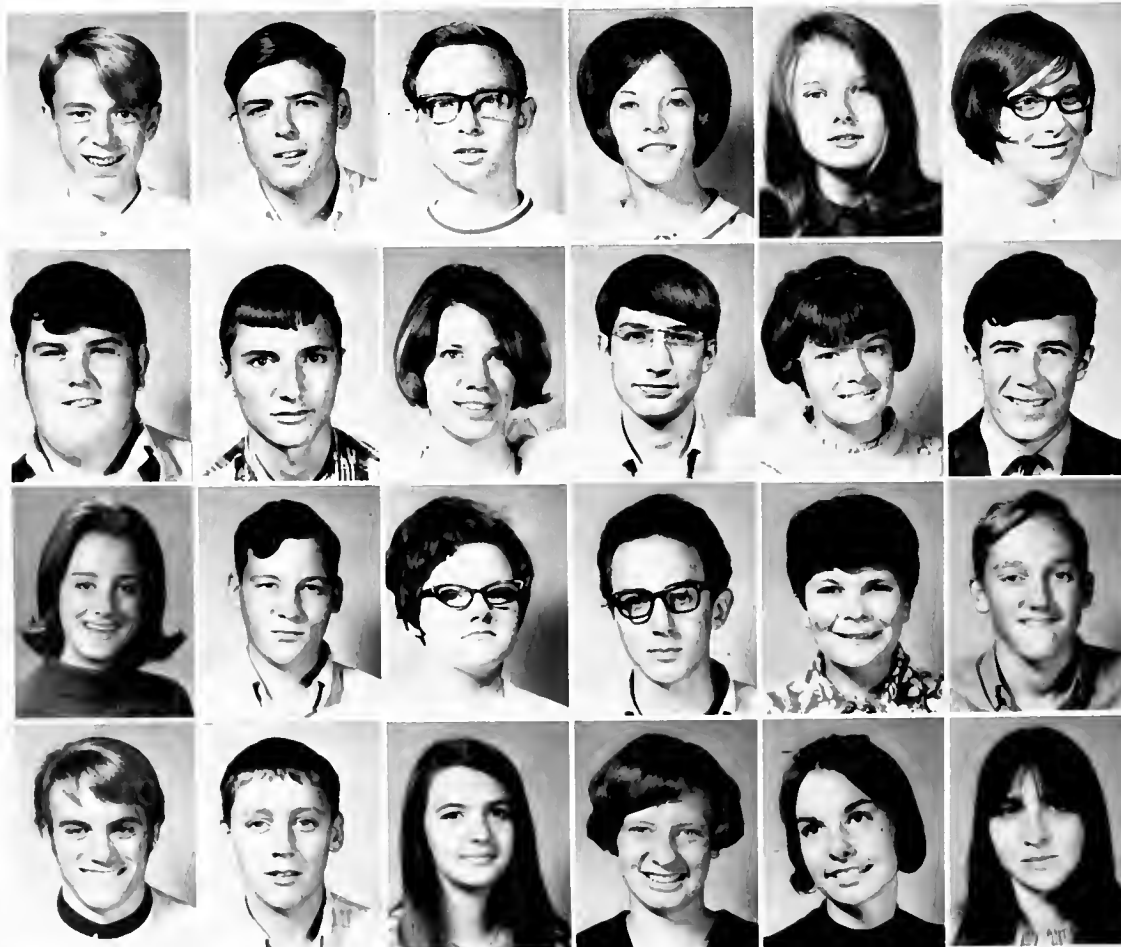

JUNIORS OF R.H.S.

Leading the Class of '71 in their third year of high school life were the following: Jim King, vice-president; Beth Baker, secretary; Ric Battershell, president; Karen Dedrick, treasurer.

As usual, the members of the Junior Class were kept busy throughout the year with an assortment of activities. Highlighting these activities was the prom, set as a reproduction of the lost city, Atlantis. Candy sales and the Junior Cake Walk at the Carnival helped finance the event, along with the Junior Class Play *THE CRUCIBLE* by Arthur Miller. Selection of a class ring was also high on the list of important events of the year. Perhaps the most exciting happening for one young lady in particular, was the selection of devilish Miss Bridget Roads as Harvest Festival Queen Attendant.

SOPHOMORES OF R.H.S.

"Driver's Ed-u-u-cation!" These were the apprehensive words heard by most members of the sophomore class. To add to their funds, the energetic sophomores managed a "Food Store", and "Pie Throw" at the Harvest Festival. Spring found them selling assorted candy too. One of the highlights of the year was the selection of prom servers. Those chosen for this honor were able to observe the prom in progress and gather information for the difficult task of preparing for their own prom. All in all, it was an outstanding and memorable year for the peppy class of '72'.

Serving as leaders of the Sophomore Class were Jana White, Diane Evans, Jim Lansbery, and Kathy Iknayan.

FRESHMAN OF R.H.S.

We are peppy,
We are free,
We're the Class of '73!

The above was the cry of the students who found themselves plunged into the first exciting year of high school life. Freshman activities for the 1969-70 year, started out with a "Freshman Faculty Dart Throw" for the school carnival. They later had concessions at the football games. It was a rewarding year for the freshmen even though many of them had difficulty adjusting to seventy minute classes.

This year's Freshman class was led by: Linda Waddell, Tonja Parker, Susan Moore, and Lori Siler.

SPURRED IMPETUS CHEERLEADERS

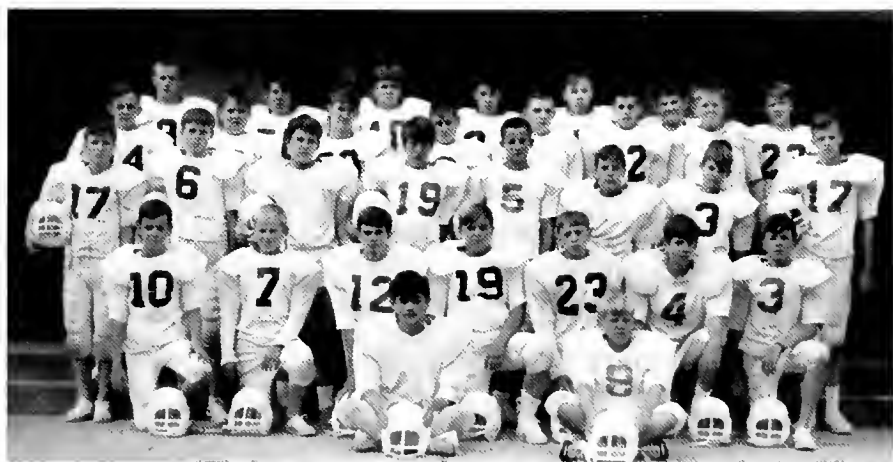

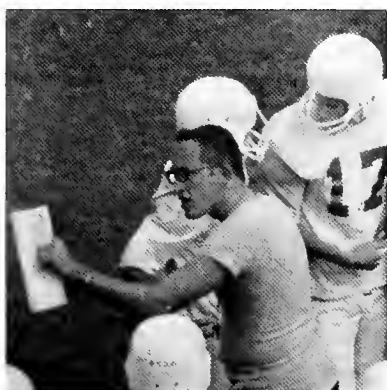

FIRST ROW: P. Allen, C. Ditrick, B. Smith. SECOND ROW: M. Crugnale, S. Finebrock.

Energetic Jr. High Cheerleaders for the '69-'70 school year were sponsored by Mrs. Shirley Muston. The girls, under her leadership, practiced laboriously after school to perfect their many numerous cheering routines. Aside from supporting their team and leading cheers at the games, the Jr. High Cheerleaders also led pep sessions and signed names for the pep buses.

BOYS MANEUVER FOR VARSITY POSITIONS

Junior High Basketball, although the record doesn't show it, completed a very successful season. On the eighth grade level, the players had a win-loss record of 5-10. They participated in a tournament, and ran into some hard luck early, getting beat by Old Union, who later went on to the state finals. The seventh graders, meanwhile, finished with a more respectable record of 8-8. In a seventh grade tournament played here in Robinson, they vanquished all foes in finishing first. Mr. Muston, head of Junior High Basketball, realizes the potential and expects even a better performance next year.

TRACK ON THE RUN

Robinson Junior High Track season officially got under way on Monday, March 16, when the boys were issued their equipment and began training.

Forty boys were on the junior high squads this year with 22 in the Class A and 18 Class B members.

The team participated in seven dual and eight triangular meets this season, plus the county, district and if qualified to the sectional and state.
